RE: LETTER OF SUPPORT FOR THE MASKWA MEDICAL CENTER (CANADA) INC.

Dear Ken,

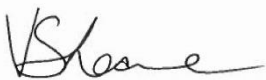

I am writing to express Northwestern Polytechnic's unwavering commitment to supporting the admirable project of The Maskwa Medical Center (Canada) Inc. in Grande Prairie. As the President of Northwestern Polytechnic, I understand the crucial role that initiatives like yours play in addressing the healthcare needs of communities, and I am delighted to extend our support.

We recognize the importance of fostering partnerships that aim to enhance healthcare accessibility and quality, and we are eager to collaborate with organizations like yours that share our vision of making a positive impact in society. The Maskwa Medical Center's dedication to providing comprehensive medical services to underserved populations aligns seamlessly with our institution's values of service, innovation, and community engagement.

As you embark on this significant endeavor, please consider us a steadfast partner committed to supporting your efforts every step of the way. Whether through collaborative research initiatives, educational programs, or community outreach activities, we stand ready to contribute to the success of The Maskwa Medical Center project.

Thank you for your dedication to improving healthcare access and outcomes in Grande Prairie. Together, I am confident that we can make a meaningful difference in the lives of those in need.

Sincerely,

Dr. Vanessa Sheane
President and CEO
